**BETWEEN CARROLL COUNTY COMMISSIONERS
FOR THE
CARROLL COUNTY DEPARTMENT OF CORRECTIONS
AND THE
NATIONAL CORRECTIONAL EMPLOYEES UNION, CARROLL COUNTY LOCAL 120
April 1, 2023 through March 31, 2026**

The Carroll County Commissioners and the Superintendent of the Carroll County Department of Corrections (hereinafter referred to as the "Employer") and the National Correctional Employees Union (hereinafter referred to as "Union") hereby agree as follows:

ARTICLE I – RECOGNITION

- 1.1 The Commissioners hereby recognize the Union as the exclusive bargaining representative pursuant to the provisions of New Hampshire RSA 273-A for all full-time employees and regular part-time employees as defined in Section 1.3 below of the Carroll County Department of Corrections in the following job classifications: All regular full-time and regular part-time Senior Correction Officers, Correction Officers, Sergeants, Corporals, and Specialists.

A Specialist is a staff member who has tested and met the Carroll County Department of Corrections standards to be a Specialist. The candidate must demonstrate that they can handle the added responsibilities to their primary job as a correctional officer. A Specialist has no supervisor authority, just added responsibilities when working in the capacity as Specialist. The Carroll County Department of Corrections has two allotted specialist designees.

- 1.2 Excluded from recognition or coverage under this Agreement are all other employees of the Carroll County Department of Corrections as follows: Superintendent, Assistant/Deputy Superintendent, Major, Captain, Lieutenants, Administrative Assistant, Mental Health Clinician, Case Manager, Farm/DPW, all maintenance employees, all nurses, all other supervisors, professional and confidential employees, persons in a probationary or temporary status, employed seasonally and irregularly or on call.
- 1.3 For the purpose of this Agreement, regular part-time employees shall be only those employees who, as of January 1 of each year, have worked during the preceding year on a regular and permanent basis and have worked at least 1,040 hours of the entire year immediately preceding January 1.
- 1.4 If a regular part-time employee has finished the probationary period (as defined in Article 4 below) as of January 1, but has not been employed by the Department for an entire year, then, whether or not such employee shall be considered a regular part-

time employee and covered by this Agreement shall be determined as follows: If such employee has averaged twenty (20) hours of work or more each week for their period of employment prior to January 1, which average shall be determined by dividing the total number of hours worked during such period by the number of weeks employed by the Department, then such employee shall be considered a regular part-time employee and covered by this Agreement. If such employee has not averaged twenty (20) hours a week during the employee's period of employment, then the employee shall not be considered a part-time employee and shall not be covered by the Agreement.

- 1.5 All part-time employees who have worked the necessary number of hours to be considered part-time employees, as defined above, shall be covered by the terms of this Agreement as of January 1.

ARTICLE 2 – MANAGEMENT CLAUSE

Except as specifically limited or abridged by the terms of this Agreement, the management of the Carroll County Department of Corrections, in all its phases and details shall remain vested exclusively in the Employer and its designated agents. The Employer and its agents shall have jurisdiction over all matters concerning the management of the Carroll County Department of Corrections including, but not limited to: the exercise of all rights, responsibilities and prerogatives that are inherent in the Employer or its agents by virtue of any statutes and/or ordinances and the rights, responsibilities and prerogatives including, but not limited to:

- the direction of workforce
- the establishment of proper rules and regulations
- hiring, supervision, discipline and discharge
- relieving employees from duty for the lack of work or funds
- the right to decide proper classifications
- abolishing positions,
- determining schedules of work
- determining the methods, processes and manner of performing work
- general control of all operations

It is agreed that these enumerations of management rights shall not be deemed to exclude other proper management rights not specifically herein enumerated. It is further specifically agreed that this Article and the exercise of any management rights shall not be subject to any grievance proceeding as hereinafter set forth.

ARTICLE 3 – INTERFERENCE WITH OPERATIONS AND LOCKOUTS PROHIBITED

- 3.1 The Union and the County agree that they both desire uninterrupted service. The Union, its officers, and agents agree that they will not authorize, sanction or condone a strike, stoppage, work slowdown, boycott or any other action interfering with or

designated to interfere with the work or to the operations of the Superintendent during the term of this Agreement. The County agrees that it will not engage in any lockout during the term of this Agreement.

Both parties agree they will immediately disavow any such activity and shall take all reasonable means to induce such employees to terminate such activity forthwith including, but not limited to, such actions as may be available pursuant to NH RSA 273-A:13, which same action will be available although NH RSA 273-A:13 may be amended during the term of this Agreement.

- 3.2 Should any employee or group of employees covered by this Agreement engage in any activity prohibited by Section 3.1, the Union shall forthwith disavow any such activity and shall take all lawful means to induce such employee or group of employees to terminate such activity forthwith including, but not limited to, any and all disciplinary measures which may be taken pursuant to the Union's Constitution and bylaws as from time to time amended. It is understood that any employee violating this Article shall be subject to immediate discharge.

ARTICLE 4 – PROBATIONARY EMPLOYEES

- 4.1 All employees covered under this Agreement will serve a one-year probationary period.
- 4.2 Probationary employees may be disciplined, including but not limited to suspension or termination for any reason, at any time, at the Employer's sole discretion and neither the employee so disciplined, suspended or terminated, nor the Union shall have any recourse to the grievance procedure concerning any such discipline, suspension or termination.
- 4.3 Employees whose position requires Certification must be certified as a condition of continued employment.

ARTICLE 5 – EMPLOYEE RIGHTS

- 5.1 The County and the Union agree not to discriminate against employee covered by this Agreement in conditions of employment in order to discourage or encourage membership in the Union or to discriminate against any employee because the employee has given testimony or taken part in a grievance procedure or proceeding of the Union.
- 5.2 No employee shall, as a condition of employment, be required to become a member of the Union. The Union agrees that it will not interfere with the rights of any or all non-members employed by the County.
- 5.3 The County and the Union reaffirm and will maintain the policy not to discriminate against any person because of race, color, national origin, citizenship, religion, sex, marital status, age or disability. All such claims under this Section shall be processed

through the grievance procedure herein before taking action with the state or federal agencies. This requirement shall not, however, restrict the filing of claims or complaints so as to prevent the expiration of time limits or appeal rights set forth by statute or regulation.

ARTICLE 6 – HOLIDAYS

- 6.1 Continuing, full-time employees shall be entitled to a payment equivalent to 120 hours of straight-time wages on the first payday in December of each year.
- 6.2 Non-probationary employees who terminate employment on good terms prior to December 1 shall be entitled to a pro-rated payment based on the number of full calendar months worked since the previous December 1.
- 6.3 Employees who commence employment prior to September 1st are entitled to a pro-rated payment based on the number of full calendar months worked by December 1st.
- 6.4 Employees who commence employment after September 1st are not entitled to payment under this Article in that calendar year.

ARTICLE 7 EARNED TIME

- 7.1 Carroll County offers Earned Time in place of sick, vacation, and personal days. Earned Time provides a single pool of paid time off for employees to use for personal needs – vacation time; child, pet and elder care; medical and dental appointments; personal business or emergencies, etc. Employees are encouraged to use their Earned Time to take time away from the workplace to disconnect, as well as to manage the demands of life outside the workplace.
- 7.2 Earned Time includes the equivalent of eight (8) sick days per year, two (2) personal days, and vacation time based on years of service. The accrual rates are as follows:

Years of Completed Service	Hours Accrued Per Pay Period (rounded)	Total Days Per Year (if annualized; accrued biweekly)
0-5	9.23	20
6-10	11.54	25
11-15	13.85	30
16+	16.15	35

Earned Time must be used in daily increments.

- 7.3 Employees who have exhausted their accrued Earned Time and who find themselves in need, due to prolonged illness or accident, may be eligible for additional paid leave from the Sick Leave Bank.

- 7.4 If an employee is unable to report to work, he/she is required to notify his/her supervisor or designee for each day of absence. If the absence is due to illness or injury and the employee is absent three or more consecutive days, the employee may be required to provide a physician's note clearing the employee's return to work.
- 7.5 If an employee fails to notify his/her supervisor or designee and is a "no-show" for two consecutive or three non-consecutive days, the employee will be deemed to have quit and will be terminated immediately.
- 7.6 Planned vacations or leaves require pre-approval, and requests must follow the procedure outlined in the Collective Bargaining Agreement. Selection of vacation period shall be by County seniority. A Department Head may deny a vacation request if it will result in disruption of the Department operations.
- 7.7 Earned time begins to accrue on date of hire and may be used after completion of six months of service.
- 7.8 Earned Time may be continuously accrued, up to a cap of two hundred and eighty (280) hours. Employees who reach the cap of 280 hours will continue to accrue Earned Time at their rate based on years of service with the County during that year. However, any Earned Time accrued over the 280 hours and not used by December 31 of that year will be forfeited. However, the Superintendent may allow an Employee to carry over up to a maximum of forty (40) hours of Earned Time until July 1 of the following year if the Employee was not able to use his/her Earned Time for reasons beyond the Employee's control.
- 7.9 Employees already on the payroll when this policy becomes effective (April 1, 2023) will receive 100% of their accrued Earned Time paid out upon resignation or retirement, provided proper notice requirements are met (unless explicitly waived by the County). See notice requirements below.
- 7.10 Employees hired after the effective date of this policy, will receive a percentage of their accrued Earned Time based on years of service (as outlined in the chart below) paid out upon resignation or retirement, provided proper notice conditions are met (unless explicitly waived by the County). See notice requirements below.

The payout will be as follows:

Years of Completed Service	Percentage
Less than five years	25%
5-10 Years	50%
11-15 Years	75%
16+ Years	100%

- 7.11 Employees must provide two weeks' notice and work the entire two-week notice to receive a payout. Employees whose employment is terminated by the County (with or without cause) are not entitled to any payout of accrued Earned Time.
- 7.12 Employees who have more than 280 vacation hours accrued when this policy takes effect (April 1, 2023) will receive a buy-out of those overage hours, at their current rate of pay. Remaining vacation hours will be converted to Earned Time. Going forward, the County will no longer provide any buyout of Earned Time or vacation time.
- 7.13 Employees who have sick leave and personal hours accrued when this policy takes effect (April 1, 2023) will not lose those hours. Rather, the hours will be banked for use by the employee for any sick leave time needed. Sick leave hours will no longer accrue (Earned Time replaces) and the County will no longer provide any sick leave buyouts.
- 7.14 An employee shall be allowed no more than 84 hours' vacation at any one time unless approved by the Superintendent or designee.
- 7.15 Vacation Leave Request: Leave requests shall be submitted between January 1st through January 31st for leave based upon seniority; for the period of March 1st through the end of February of the following year. Employees shall be notified as the approval or denial of such leave request within twenty-one (21) calendar days of January 31.
- 7.16 Request for vacation outside the initial sign up of January 1st-31st shall be submitted at least seven (7) work days before the leave is scheduled to begin. Leave requests submitted less than seven (7) work days shall be at the discretion of the Superintendent or his/her designee. If two vacation slips are submitted on the same day, the leave will go to the employee with the most seniority otherwise it is first come first serve.

ARTICLE 8 – UNIFORMS

- 8.1 The County will provide uniforms as follows:
- One Class A Pant
 - One Class A Shirt
 - One County Baseball Cap
 - Three pairs of pants
 - Three Polo-style shirts
 - One all-weather jacket

- Uniform insignia to include badge, nametag, and State seals

Upon termination of employment, employee will return to the County all uniforms or parts thereof purchased or provided by the County.

- 8.2 Replacement or repair of all uniforms, as provided for in the above section, shall be at the discretion of Department Administration. Replacement will be based on need and done within a reasonable amount of time.

ARTICLE 9 – SENIORITY

- 9.1 Seniority shall be defined as the employee's total time of continuous employment at the facility for the purpose of vacation time. Time in grade/classification for seniority shall be defined as the employee's total time in grade/classification for shift bidding and lateral transfers within the same classification.
- 9.2 Probationary employees shall not be covered by this Article until they have completed the initial probationary period and have become either regular full-time or regular part-time employees at which time their seniority shall have been computed from their date of original hire by the County.
- 9.3 Layoff Process: In the event of a layoff, the County shall lay off according to seniority, beginning with the member with the least seniority. No permanent employee shall be laid off from any position while there are temporary, fill-in part-time or probationary employees serving in the same position/classification.
- 9.3a Reasons for Layoff: The County may layoff a member in the Unit whenever necessary by reasons of abolition of a position, because of a change in organization, lack of work or insufficient funds. Such layoff shall not be considered to reflect discredit on the service of the member.
- 9.4 Recall: After a layoff, the County agrees to recall, in writing, all available laid-off members first according to seniority. Notice of recall shall be sent to the laid off employee's last known address as shown on the County's records. The recall notice shall state the time and date when an employee is to return. Recall rights and seniority shall continue for one (1) year after the date of the layoff of the employee.

A recalled employee shall be given at least seven (7) calendar days' notice to report to work. In the event a recall is necessary on less than seven (7) calendar days' notice, the County shall call upon the laid off employees in reverse order of their layoff, either personally or by telephone until an employee who is able to return to work immediately is located. In such event, the employee who is able to return to work immediately will be given a temporary assignment not to exceed seven (7) calendar days and the employees who are otherwise qualified to perform the work

immediately will be given notice to report to work at the end of said seven (7) calendar day period. Qualified employees who have been given notice to report to work must, unless confined due to proven illness or injury, make themselves available after the notice has been given or they shall forfeit all recall rights and such seniority status as they have accrued with the County. However, should there be no work assignment when the employee does report within the seven (7) calendar days set forth herein then the employee shall retain the employee's seniority status and shall be entitled to another notice of recall.

- 9.5 If a staff member is re-hired within one year of voluntary termination they will be reinstated at the rate of pay that they were receiving before they terminated and no seniority status. Part-time officers hired full-time do not have seniority status.
- 9.6 An employee's seniority shall be lost for, but not limited to, the following reasons:
- a. Discharge
 - b. Voluntary quit or retirement
 - c. Failure to respond to a notice of recall as specified
- County shall not be required to maintain health and dental insurance after three hundred sixty-five (365) consecutive day's absence.
- 9.7 An employee who is hired for only a limited period of time to fill a vacant regular full-time or part-time position, not to exceed one (1) year, shall not be entitled to the terms of this Agreement.
- 9.8 Shift Bidding: When a shift becomes open as a result of a retirement, promotion, resignation, termination or other reason, the Superintendent or designee shall post a notice of said shift for officers to bid on based on seniority. The posting shall be posted for seven (7) working days. To be considered, interested members shall submit a letter of interest to the Superintendent or designee to be considered. The member with the most seniority in the job classification shall be awarded the shift. The County will make every reasonable attempt to work with the members in the process. In some instances, due to staffing needs or emergencies, the county may not be able to accommodate the member's movement to another shift.
- 9.9 Employees shall be red-circled at their rate of pay following any classification attrition; unit such as the lower position is made equal. If a position in the classification that the employee was moved from due to attrition becomes open, the County may place said employee back into that classification.

ARTICLE 10 – DISCIPLINARY PROCEDURE

- A. Act to impose discipline within a reasonable time of the offense;
- B. Apply discipline in a uniform and consistent manner, while acknowledging that discipline is not necessarily administered in the exactly the same way in all cases;

 - 1. Oral Warning (with written documentation)
 - 2. Written Warning
 - 3. Suspension without Pay
 - 4. Demotion
 - 5. Dismissal

The employer agrees to remove warnings after 12 months if no subsequent warning is issued during the 12 months. If a subsequent warning is issued within the initial 12 months, the time limit to be removed starts over again with the new warning is issued.

The employer shall write a letter to the Superintendent to request to have a counseling memo or warning removed from their file when the time limit has been reached to be in the file.

The parties acknowledge that cause may warrant bypassing one or more of these progressive disciplinary steps.

10.3 Methodology: Disciplinary actions shall narrowly and specifically identify the alleged action of non-action for which the discipline is being given, and shall cite the particular contraction provision or published rule or regulation which is alleged to have been violated. These actions shall also include a statement of recommended corrections or actions for the employee to take to prevent further violation of the cited provision or rule.

10.4 All warnings shall be placed in the employee's personnel file at the time they are given. All written warnings shall narrowly and specifically identify the alleged actions or non-action for which the warning is being given and shall cite the particular contract provision or published rule or regulations which are alleged to have been violated. All warnings shall be verbally told to the employee in a timely manner and the supervisor shall place a record of the warning in the employee's personnel file and shall notify said employee.

- 10.5 Access to Personnel File: An employee shall be allowed to view the employee's personnel file at any reasonable time and to obtain copies of its contents at the employee's expense. Employees shall be given a copy of all disciplinary actions placed in their file. Documents not in the employee's personnel file may not be used for disciplinary purposes.
- 10.6 Confidentiality: Discipline shall be treated in a confidential manner, and employees shall not be reprimanded or otherwise disciplined in the presence of, or within the hearing or sight of inmates, other employees, or other persons not involved in the disciplinary process. A second supervisor may be present when discipline is being discussed or issued.
- 10.7 Suspension with Pay: The County may suspend an employee with pay during an investigation, but a suspension with pay for purposes of an investigation shall not be considered disciplinary in nature. Such employees shall be advised of the nature of the investigation at the time of the suspension.
- 10.8 Documentation of Personnel Actions: All personnel actions shall be in writing and such written documentation shall be maintained in the subject employee's personnel file and files of the Director of Personnel.

Such answer must be provided to 1) the grievant (or his/her steward) and 2) the Union's assigned field representative. Any extension of the time frames established at Step Three must be agreed to by the parties.

Step Four County Commissioners

4. 5. The Commissioners shall render a decision at Step Four as prescribed herein, and the Union shall be entitled to appeal to Step Five.

7. The arbitrator's fee plus his/her reasonable expenses shall be borne equally by the parties. Each party shall make arrangements for and pay the expenses of witnesses which are called by they who are not County employees.
8. The decision of the arbitrator shall be final and binding on the parties as to the matter in dispute. The arbitrator shall not have the power to add to, ignore or modify any of the terms and/or conditions of this Agreement. The arbitrator's decision shall not go beyond what is necessary for the interpretation and application of express provisions

of this Agreement. The arbitrator's judgment shall not substitute for that of the parties in the exercise of rights granted or retained by the Agreement.

- 11.2 For the purposes of this Grievance Procedure, the phrase "work days/calendar" shall mean normal Corrections Department work days of Monday through Friday, excluding holidays.
- 11.3 All times limits may be extended by mutual agreement of the County and the Union.
- 11.4 Nothing in this Article shall be construed to limit the right of an employee to present a grievance without the assistance of a Steward. At the request of the employee, the Steward shall be excluded from the hearing at Step One; the Steward however, shall be given the opportunity to attend any subsequent hearings in Step 2 providing that in all cases, any resolution of the grievance shall not be inconsistent with the terms of this Agreement.
- 11.5 Failure by the County or its agents to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant in any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed a waiver of future appeal of the decision and will be considered acceptance of the decision rendered.
- 11.6 Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Corrections Department and have the grievance adjusted without intervention of the Union provided the adjustment is not inconsistent with the terms of this Agreement and the Union has been given the prior opportunity to be present at such adjustment and to state its views.
- 11.7 During the term of this Agreement, the parties will continue to meet to discuss possible amendments to this Grievance Procedure. If any such amendments are agreed to by both parties, they may be incorporated in to this Agreement by written sidebar.

It is the intent of Carroll County to meet the need of our employees to care for themselves and their families. Carroll County recognizes that employees may occasionally need to take time away from work to care for their own medical needs or the medical needs of a family member.

Carroll County will accommodate any employee eligible for FMLA leave by allowing that employee to take time off for certain family and medical reasons in accordance with Federal law. Initial eligibility through the Human Resources Department by written request and certification by healthcare provider will be required. Supervisors and department heads must be notified at least 30 days in advance of the start of FMLA Leave wherever possible, in order to accommodate staffing needs. At all times, the Federal guidelines will apply.

Carroll County reserves the right to designate FMLA Leave any time an eligible employee requests time off for a qualifying reason. For example, if an eligible employee suffers a non-

work related injury that qualifies as a serious health condition, Carroll County has the right to designate any time away from work as FMLA Leave. FMLA Leave will be initiated for qualifying absences due to work-related injuries. The County will notify an employee by letter when it designates FMLA Leave.

A. REASONS FOR LEAVE

Eligible employees may take family/medical leave for any of the following reasons:

- 1) The birth of your child and in order to care for a child
- 2) The placement of a child into your home for adoptive or foster care
- 3) To care for a spouse, parent, minor child, or adult child with a serious health condition
- 4) The employees own serious health condition which renders the employee unable to perform the essential functions of his or her position.

B. AMOUNT OF LEAVE AVAILABLE

An eligible employee may take up to 12 weeks of leave in a rolling 12-month period, depending on their employment status. A rolling 12-month period is 12 months measured backward from the date leave is first used. Human Resources will advise an employee of the amount of leave he/she has available.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty shall be entitled to a total of 26 workweeks of leave during a 12-month period to care for the service member.

C. NOTIFICATION OF LEAVE BY EMPLOYEE

Employees must notify their Supervisor and Human Resources, by written application, at least 30 days in advance of a foreseeable leave, such as leaves for planned medical treatment or the birth of a child. For unforeseen events, such as accidental injury causing serious health condition, premature birth, or a sudden change in the employee's health, the employee must notify their Supervisor for their need for leave as soon as it is reasonable and practical. Failure to give notice as required may result in delay or denial of FMLA Leave. In the case of failure to notify of foreseeable leaves, the County may delay the start of the leave for up to 30 days from the date the employee provided the required notification.

D. MEDICAL CERTIFICATION

An employee must submit a medical certification from a certified health care provider no later than 15 business days following approval for the FMLA Leave request.

The County reserves the right to have an employee examined by another healthcare provider (and possibly a third healthcare provider, if the first two medical opinions are inconsistent) at its expense. The County also reserves the right to request periodic additional medical certification during the term of the FMLA Leave.

E. INTERMITTENT OR REDUCED SCHEDULE

Where there is a documented need by a certified medical provider, FMLA Leave may be taken in an intermittent or reduced schedule basis. Intermittent or reduced schedule leave will be counted on a four-hour basis. The employee must notify their Supervisor of their anticipated unavailability and the reasons for the proposed schedule.

A Supervisor may require the employee to temporarily work in a different position or on a different schedule during intermittent or reduced schedule leave to better accommodate the staffing needs. The alternative position will have the same pay rate and benefits as the position held prior to the start of the FMLA Leave.

F. PAY AND BENEFITS

1. It must be understood that FMLA Leave is on unpaid leave of absence. Employees are required to utilize all accrued leave time during FMLA Leave.
2. Employees must exhaust all accrued leave time before receiving donated time.
3. Employees do not accrue any benefits while out on FMLA Leave.
4. While out on FMLA Leave, the employee may not receive government compensation (unemployment, etc.) or work for another employer.
5. To continue coverage under the County's group health or dental insurance plan, the employee must continue to pay their portion of the premium. Failure to maintain payment of the premiums will result in loss of coverage. Coverage may not be reestablished until open enrollment.
6. If the County learns that the employee does not intend to return to work, or the employee simply does not return at the end of their approved FMLA Leave, insurance coverage for the employee will be discontinued.

In some cases, the County may recover its share of the premium for maintaining coverage for the employee during FMLA Leave if the employee fails to return to work for reasons other than a continued medical condition or other reasons beyond the employee's control.

G. RETURN TO WORK

An employee returning to work from FMLA Leave for their own medical illness must provide written medical certification clearance to their Supervisor prior to returning. The County will make every effort to return an employee to the same or equivalent position. However, due to business necessity, this cannot be guaranteed. An employee will not lose any seniority or benefits for taking the FMLA Leave.

Carroll County reserves the right to request a Fit for Duty Evaluation for any employee who requests an extension of their approved leave, or for any employee requesting accommodations in the workplace. Failure to return to work at the end of the approved FMLA Leave may be considered as a voluntary resignation by the employee.

H. FAILURE TO COMPLY WITH POLICY

- 30.1 This Agreement constitutes the entire agreement and final resolution of all matters in dispute between the Employer and the Union arrived at as a result of collective bargaining negotiations, except such amendments hereto as shall have been reduced to writing and signed by the parties.
- 30.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and that opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE 31 EXPENDITURE OF PUBLIC FUNDS

Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Employer unless and until the necessary specific appropriations have been made by the Carroll County Delegation at each of its appropriate annual or special meetings during the term of this Agreement. The Employer

shall make a good faith effort to secure the funds necessary to implement said agreement at each of the appropriate annual or special Carroll County Delegation meetings.

If such funds are not forthcoming, the Employer and the Union shall resume negotiations regarding the matters affected.
